CRITERIA & ENTRY FORM

PERSONALITY OF THE YEAR AWARD

DEPARTMENT OF TRANSPORT VICTORIA

This award recognises the person or persons who have made the most outstanding contribution to the Australian transport and logistics industry over an extended period of time.The judges will look for specific business initiatives, commitment to staff, contribution to the transport and logistics industry, profile in the community and overall leadership qualities.Referees and supporting material will form an important part in judging this award.

INVESTMENT IN PEOPLE AWARD

SPONSORED BY LOGICAL STAFFING SOLUTIONS

This award recognises innovative programs or initiatives that focus on recruitment, training and up skilling people.The judges will look for examples of 'whole of company' approaches to training, innovative training or recruitment programs, innovative HR practices, career pathway strategies, or succession planning.

BEST PRACTICE SAFETY AWARD

SPONSORED BY CMV TRUCK & BUS

This award recognises the most innovative and practical safety solution on road or in the workplace across the transport and logistics industry. The judges will look for cost effective solutions involving staff and customers. Solutions that demonstrate excellence in safety compliance and accreditation will be highly regarded.

APPLICATION OF TECHNOLOGY AWARD

SPONSORED BY TRANSPORT CERTIFICATION AUSTRALIA

This award recognises the individual, group or organisation that has applied innovative technology systems to their business to enhance productivity or solve a problem resulting in a positive outcome. The judges will be interested in initiatives from warehousing, supply chain, environment, communication, safety, compliance or other related operations.

SUSTAINABLE ENVIRONMENT AWARD

SPONSORED BY NATIONAL TRANSPORT INSURANCE

This Award will recognise the implementation of a policy or program and / or a technology innovation that improves sustainability.

The judges will look for specific instances where a company can demonstrate: a reduction in total waste/energy, an increase in resource recovery, a staff training program implemented in their customer's business to reduce, recycle, recover and the rollout of infrastructure to achieve sustainable outcomes.

YOUNG ACHIEVER AWARD

SPONSORED BY DAIMLER TRUCK & BUS

The judges will look for nominations from the transport and logistics industry identifying young up-and-coming people. Nominations are encouraged from all sectors of the industry and from any level within an organisation. Qualifications are not a prerequisite for any nominee. The judges will be interested in hearing about the work ethics, attitude, initiative and future potential of nominees, as well as key achievements of the nominee to date. The award is open to people up to 35 years of age.

FEMALE LEADERSHIP AWARD

SPONSORED BY VIVA ENERGY AUSTRALIA

The award recognises companies that have taken proactive steps to improve diversity and the participation of women in their workforces. It also recognises women who have shown leadership through programs, initiatives and achievements they have attained in the transport and logistics sector.
