

# VTA STATE CONFERENCE 2019

## Keeping Up with Transport Reform

24 - 26 March

The Australian transport industry is experiencing massive change in 2019, that will impact every operator.

Reforms to heavy vehicle licensing, road user charges, minimum standards, training and education, heavy vehicle national law and other areas will affect how operators interact with their customers, suppliers, employees and others in the supply chain.

**VTA State Conference 2019** provides a forum for delegates to interact with transport industry stakeholders that are behind these changes. This is your chance to hear directly from highly-credentialed speakers from government, regulators, and road, rail and other authorities, and contribute to important decisions that will impact our industry.
