

## West Gate Tunnel Project

### NORTH YARRA MAIN SEWER UPDATE AND REMINDER CHANGED TRAFFIC CONDITIONS WHITEHALL STREET

Please be advised of the upcoming traffic condition changes on Whitehall Street as part of the finalisation works for the North Yarra Main Sewer diversion.

These works will involve road reinstatement and site demobilisation of the two work sites at both Somerville Road/Whitehall Street and Youell Street/Whitehall Street

Works are currently on track for reinstatement of Whitehall Street, south of Somerville Road, and removal of the long term detour at 5am Monday 26 August.

#### Planned work dates and closures:

- **Weekend closure at Somerville Road:**

**12 noon Saturday 24 August – 5am Monday 26 August**

Whitehall Street closed south of Somerville Road, Northbound detour via Leek, Southbound detour via Earsdon Street.

Hall Street will also be closed at Whitehall Street - access via Hyde Street. Normal access Somerville Road.

- **Northbound lane closure on Whitehall Street, from Harris St. (Youell Street West closed and Harris Street closed at Whitehall Street):**

**Monday 19 August to Friday 23 August, 8pm – 5.30am**

**12 noon Saturday 31 August to 5am Monday 2 September**

Northbound lane Whitehall St closed, shuttle flow in southbound lane to maintain two-way access. Youell Street west will be closed and Harris Street will be closed at Whitehall Street. The detour will be via Cowper St.

Thank you for your patience while we complete these important works.
